Grading (Based on a total of 600 points)

2 Exams (100 pts each) = **200 pts**

1 Lab Practical (**100 pts**)

Lab Quizzes (10 pts each) = **50 pts**

iNaturalist Project – UF Natural Areas – due Dec. 7 (**50 pts**)

Final Exam (**100 pts**)

Optional Extra Credit 1 (15 pts): Plant collection of 15 specimens identified to species, dried, pressed and with labels. Consult with your TA regarding appropriate permissions and places to collect. These are due on **Monday, Nov. 18.**

Optional Extra Credit 2 (15 pts): Herbarium specimen transcription. Students will be given the opportunity to transcribe herbarium specimen labels based on imaged specimens through the Symbiota Portal. A minimum of 15 transcribed specimens would be needed to receive full credit. These are due **Wednesday, Dec. 4.**

Grading Scale:	90% or above	A, A-
	80-89%	B+, B, B-
	70-79%	C+, C, C-
	60-69%	D+, D
	59% & below	E, failing

Letter grades will be assigned following assessment of the distribution of scores, so these values are approximate. Note that a C- will not be a qualifying grade for critical tracking courses. In order to graduate, students must have an overall GPA and an upper-division GPA of 2.0 or better (C or better). A C- average is equivalent to a GPA of 1.67, and it therefore does not satisfy this graduation requirement. For more information on grades and grading policies, please visit:

<http://www.registrar.ufl.edu/catalog/policies/regulationgrades.html>.

Lecture: Our class sessions will be held in Bartram Hall 211 on Tuesday and Thursday mornings 8:30-9:20.

Laboratory: We will have in-person laboratories in Rolfs Hall 105 on Thursday and Fridays.

- Course materials will be provided to you with an excused absence, and you will be given a reasonable amount of time to make up work. Find more information in the university attendance policies (<https://catalog.ufl.edu/UGRD/academic-regulations/attendance-policies/>).

UF Counseling Services:

Resources are available on-campus for students having personal problems or lacking clear career and academic goals. These resources include:

- UF Counseling & Wellness Center, 3190 Radio Rd, 392-1575, psychological and psychiatric services.
- Career Resource Center, Reitz Union, 392-1601, career and job search services. Many students experience test anxiety and other stress related problems. "A Self Help Guide for Students" is available through the Counseling Center (301 Peabody Hall, 392-1575) and at their web site: <http://www.counsel.ufl.edu/>.

Honesty Policy:

- All students registered at the University of Florida have agreed to comply with the following statement: "I understand that the University of Florida expects its students to be honest in all their academic work. I agree to adhere to this commitment to academic honesty and understand that my failure to comply with this commitment may result in disciplinary action up to and including expulsion from the University."
- In addition, on all work submitted for credit the following pledge is either required or implied: "On my honor I have neither given nor received unauthorized aid in doing this assignment."
- If you witness any instances of academic dishonesty in this class, please notify the instructor or contact the Student Honor Court (392-1631) or Cheating Hotline (392-6999).
