Office Hours: By Appt.

Objectives: To introduce graduate students to the department of biology, resources at UF, and provide professional development training.

Topics to be covered and a course schedule can be found on Sakai.

Students are expected to attend the course each week. Grades will be based on student attendance and participation in class discussions. Students will be allowed to miss one class, but must make arrangements with the instructor if more than one class will be missed. Information on current UF grading policies for assigning grade points can be found at:

<http://www.registrar.ufl.edu/catalog/policies/regulationgrades.html> .

Accommodation for Disabilities: Students requesting classroom accommodation must first register with the Dean of Students Office. The Dean of Students Office will provide documentation to the student who must then provide this documentation to the Instructor when requesting accommodation.

No textbooks are required for this course. Information on readings (when required) will be posted each week through Sakai.
