Class Policies

Extra Credit

- There will be no opportunities for extra credit.

Time Commitment

- The UF College of Liberal Arts and Sciences assumes that you will devote a total of 45 hours per credit to each course.

Class Attendance, Make-Up, and Late Work

- Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies that can be found in the online catalog at: <https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>.
- Class attendance is expected, and students are expected to arrive on time. Excused absences are consistent with [university policies](#) and require appropriate documentation. Each *unexcused* absence will result in a 10% reduction of the total possible points in the final grade. If you must miss class or miss an assignment or exam due to an allowable, scheduled absence (for example, to participate in a sanctioned university function), you must notify the instructor during the first week of classes or immediately after the event is scheduled. If you miss a class or an assignment due to an allowable but *unscheduled* and *unpredictable* absence (e.g., illness), you must contact the instructor as soon as possible.
- Late work will not be accepted unless it is the direct result of an allowable but unscheduled and unpredictable absence, as defined above, at the discretion of the instructor.

- Makeup assignments will be provided for students who miss an assignment or exam as the direct result of an allowable but unscheduled and unpredictable absence, as defined above. The composition and structure of the makeup assignment or exam will be at the discretion of the instructor.
- If you are experiencing COVID-19 symptoms ([click here for guidance from the CDC on symptoms of coronavirus](#)), please use the UF Health screening system and follow the instructions on whether you are able to attend class. [Click here for UF Health guidance on what to do if you have been exposed to or are experiencing Covid-19 symptoms](#). Course materials will be provided to you with an excused absence, and you will be given a reasonable amount of time to make-up work. Refer to the above link for more information on the university's attendance policy.

Using Electronic Devices in Class

- As a courtesy to your classmates, you are prohibited from making video or audio recordings of class discussions or presentations by fellow students.
- You must be fully engaged in the classroom, and not participate in other activities during the class, such as talking to roommates, running errands, or checking social media or other websites.

Students Requiring Accommodation

- Students with disabilities requesting accommodation should first register with the Disability Resource Center ((352) 392-8565, dso.ufl.edu/drc/) by providing appropriate documentation. Once registered, students will receive an accommodation letter, which must be presented to the instructor when requesting accommodation. Students with disabilities should follow this procedure as early as possible in the semester.

Course Evaluation

- Students are expected to provide feedback on the quality of instruction in this course by completing online evaluations at <https://evaluations.ufl.edu>. Evaluations are typically open during the last two or three weeks of the semester, but students will be given specific times when they are open. Summary results of these assessments are available to students at <https://evaluations.ufl.edu/results/>.

Class Demeanor

- Students are expected to behave in class in a manner that is respectful to the instructor and to fellow students. Opinions held by other students should be respected in discussions. Students whose behavior in a manner that is disrespectful or otherwise disruptive will be asked to leave the class. Multiple occurrences will result in the assignment of failing grade.

Privacy Statement

- Our class sessions may be audio-visually recorded for students in the class to refer back to and for enrolled students who are unable to attend live. Students who participate with

their camera engaged or utilize a profile image are agreeing to have their video or image recorded. If you are unwilling to consent to have your profile or video image recorded or to have your voice recorded, notify the instructor in advance. The "chat" feature in Zoom allows students to type questions and comments live. The chat will not be recorded or shared. As in all courses, unauthorized recording and unauthorized sharing of recorded materials is prohibited.

University Honesty Policy

- UF students are bound by The Honor Pledge which states, “We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: “On my honor, I have neither given nor received unauthorized aid in doing this assignment.” The Honor Code (<https://www.dso.ufl.edu/sccr/process/student-conduct-honor-code/>), specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel.
